PERSONAL PROFILE

I am a confident, responsible student with strong numerical, literacy and computing skills. Having achieved top grades in both GCSE's and A levels, I have strong public speaking skills and experience working as part of a team. As a highly motivated, ambitious and reliable individual, I'm looking for fulfilling work which will assist me alongside my degree.

EDUCATION

2023 – present **University of Bristol, Bristol, UK**
Currently in my first year studying Mathematics and Computer Science

2018 - 2023 **Beaumont School, Austen Way, St Albans AL4 0XB**
Mathematics A*
Computer Science A*
English Literature A
Further Mathematics A*

2016 - 2018 **Verulam School, Brampton Road, St Albans AL1 4PR**

WORK EXPERIENCE

Oct 2018 – 2023 **Oxfam, 161 Hatfield Road, St Albans, AL1 4LB**
Weekly volunteer work including sorting donations and interacting with customers at the till.

KEY SKILLS AND ACHIEVEMENTS

- **Outstanding numerical skills:** Achieved top grades in Mathematics and Further Mathematics. Consistently received Gold awards (and moved through to the next round) for the UK Junior, Intermediate and Senior Maths Challenges.
- **Excellent literacy and communication skills:** Attained high grades in English Literature at A level, and went far in several public speaking competitions. My volunteering work helped develop my communication skills, both to customers and as part of a team. I also spent time during sixth form assisting and tutoring Year 11 students in preparation for their Mathematics A level.
- **Competent and experienced programmer:** Experience in a variety of programming languages, including R, JavaScript, Python, C, Rust and Haskell. Worked on several open-source projects, creating efficient and readable code that is designed to be used by others. Experience with exploring, manipulating and plotting data programmatically.
- **Self-motivation and leadership:** Achieved a Gold Duke of Edinburgh's Award, and participated in the National Citizen Service, resulting in experience in leading and being part of a team.

INTERESTS

- In my free time, I enjoy sports such as tennis, badminton and swimming.
- I also contribute to several open-source programming projects.
